

2002-03 District Status Report

Oden School District

Accreditation Standards

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational areas. Below are the programs offered for 2003-04. If a program is offered at a vocational center, students must be enrolled in the 2003-04 school year.

Oden High School is offering four programs of study in three occupational areas:

Agricultural Mechanics	Approved
Agricultural Sciences	Approved
Family & Consumer Sciences Education	Approved
Information Management	Approved

District Rating: Meets Standard of Accreditation Requirements

Completers of Programs of Study

A completer is a graduate who successfully completed three or more units of credit within a program of study, including all the core requirements for that program of study.

There are two measures for this indicator. The first is the number of completers compared to the number of graduates. The second is the number of seniors enrolled in career and technical classes compared to the number of completers.

The state benchmarks for this measure are 35 percent and 50 percent, respectively.

Completers compared to graduates	42%
State average	28%

District Rating: Significantly Above State Average

Number of seniors enrolled in vocational education compared to number of completers	56%
State average	36%

District Rating: Significantly Above State Average

Total Number of Completers of Programs of Study (unduplicated) (A student may complete more than one program of study)	5
Agricultural Mechanics	1
Agricultural Sciences/Animal	1
Family & Consumer Sciences Education	2
Information Management/Desktop Publishing	1

Graduation

The graduation rate for concentrators is based on the number of students identified as concentrators at the beginning of their senior year compared with the number of those from that who graduated.

The state benchmark for this measure is 90 percent.

Concentrators Identified	12
Concentrators Graduated	12
Percent Graduated	100%
State Average	92%

District Rating: Significantly Above State Average

Placement

Placement is based on the status of completers six months following graduation. Completers who pursued opportunities in postsecondary education, the workforce, and/or the military are considered positive placements.

The state benchmark for this measure is 98 percent.
